Dear parent/carer,

Staffing Update – Dechmont Infant and Kirkhill Primary Schools

Following recent interviews, Miss Henderson and I are please to advise that Mrs Lynne McDonnell has been appointed to the post of Acting Principal Teacher with effect from Monday 30th April. As Mrs McDonnell has a sizable teaching commitment within Kirkhill Primary at present, her promoted role will be largely based at Kirkhill until the end of the current school session.

From Monday 30th April until the end of session, Mrs Rachael McCann will have a greater responsibility for Dechmont Infant School whilst continuing part of her role at Kirkhill Primary.

As previously advised there will be an opportunity for parents/carers of Dechmont Infant School to meet with Miss Henderson, Mrs McCann, Mrs McDonnell and myself at an open information session. *This information session will now take place on Monday 16th April, at 2:45pm.*

This is an exciting opportunity for Dechmont and Kirkhill as we work together to support both communities in their individual and joint journeys moving forward.

Best wishes,

Mr Ian Harvey,
Head Teacher
