Dear parent/carer,

This is just a short letter to express my thanks to all the families, children and staff within our community here at Dechmont, for all your kind messages, gifts and comments over the past weeks. I felt welcome from the first day and have really enjoyed leading the school over the past 20 months.

Together we have achieved many things to the benefit of our children and I am sure they will go on from strength to strength in the months and years ahead. As with any change, things can feel unsettling, but the school is in very good hands and the staff team will continue to support, nurture and develop our learners in the times that lie ahead.

While I am looking forward to the new challenges that lie ahead for me, I will miss each and every one of the children and wish you all the very best for the future.

Thank you and best wishes,

Mr Ian Harvey,
Head Teacher
